SSC Member Benefits

"Members Only" Free Safety Videos

The Safety Council is happy to be able to offer you a free training & safety awareness resource: Streaming Online Safety Videos. This is available exclusively for Safety Council members, so we ask that you do not share it with anyone outside of your organization. Your membership covers all employees within your organization so sharing with other departments, supervisors, etc. is fine.

A partnership with Training Network allows us to offer you over 700+ videos at a click of your mouse. Videos are listed in categories of; Construction, OSHA Compliance, General Safety, DOT Compliance, School Bus & Site Safety and Human Resources. They are current, well made, and a free benefit of your Safety Council membership!
